Youth Development Volunteers

How to apply:

1. Go to <https://saymca.org/volunteer/>

2. Select the Youth Development Volunteer Application

This is an online application through our **campsite** system. It will be completed and submitted completely online. The URL for the application page should read <https://saymca.org/campmanagement.com/staff>. You may also use this URL to access the application page.

3. Select "Begin a new staff application" at the bottom of the page

To apply, you will need an active email address that you regularly check. This will be the email address you create your application account with. You can log in and out of your account while you complete the application; it does not need to be completed in one sitting.

You will need a current photo of yourself to apply.
